FOR IMMEDIATE RELEASE

PREIN&NEWHOF PUBLISHES MUNICIPAL FINANCING GUIDE

Booklet helps communities find funding for infrastructure projects

GRAND RAPIDS, February 6, 2005. Prein&Newhof recently updated and republished its free financing reference guide for Michigan communities. The guide, titled **Grants & Loans 2006**, includes new funding programs, current contact information for each grant or loan program, and an extensive list of print and online resources.

This guide could not come at a better time, as many Michigan communities are currently facing budget difficulties. **Grants & Loans 2006** alerts community leaders to a wide range funding opportunities they may not have been aware of, and gives them tools to pursue creative funding for their communities.

To obtain a free copy of the guide, contact James R. Hegarty, P.E., Business Development Manager for Prein&Newhof, at (616) 364-8491 or jhegarty@preinnewhof.com.

Celebrating more than 35 years of operation, Prein&Newhof is a full-service engineering firm that employs over 100 full-time personnel including engineers, surveyors, drafters, geologists, chemists, communication specialists and support staff. In addition to its offices in Grand Rapids, Holland, Byron Center, Muskegon and Kalamazoo, the firm also maintains its own environmental laboratory adjacent to its headquarters in Grand Rapids.
