FOR IMMEDIATE RELEASE

**PREIN&NEWHOF WELCOMES TREVOR WAGENMAKER, P.E.**

GRAND RAPIDS, August 28, 2007. Prein&Newhof welcomes **Trevor S. Wagenmaker, P.E.**, as a Project Manager in its Grand Rapids Office.

Trevor has over 17 years of engineering experience, specializing in the design of water and wastewater treatment plants, wastewater collection systems, and water distribution systems. He has performed water and wastewater investigations throughout the state of Michigan and the immediate Midwest.

Trevor holds a Bachelor of Science degree in Engineering from the University of Michigan. He is an active member of the American Water Works Association and the Water Environment Federation.

Celebrating more than 35 years of operation, Prein&Newhof is a full-service engineering firm that employs over 100 full-time personnel including engineers, surveyors, drafters, geologists, chemists, communication specialists and support staff. In addition to its offices in Grand Rapids, Holland, Byron Center, Muskegon and Kalamazoo, the firm also maintains its own environmental laboratory adjacent to its headquarters in Grand Rapids.
