**P&N ENGINEER HELEN DAVIS RECEIVES *NEW LEADER AWARD***

KALAMAZOO, April 17, 2008. Prein&Newhof civil engineer Helen Davis, E.I.T., LEED AP, recently received the 2008 *New Leader Award* from the National Association of Women in Construction (NAWIC), Battle Creek / Kalamazoo Branch.

Helen works as a Project Engineer in the P&N Kalamazoo Office. She assists with Phase I & II Environmental Site Assessments, NPDES Stormwater Phase II permitting, site design, site plan reviews, and sewer design and inspection.

Helen is a graduate of Carnegie Mellon University, where she received bachelor degrees in Civil Engineering and Engineering Public Policy. She is a LEED Accredited Professional and a Certified Storm Water Operator.

Celebrating nearly 40 years of operation, Prein&Newhof is a full-service civil engineering firm that employs over 100 full-time personnel including engineers, surveyors, drafters, geologists, chemists, communication specialists and support staff. In addition to its offices in Grand Rapids, Holland, Byron Center, Muskegon and Kalamazoo, the firm also maintains its own environmental laboratory adjacent to its headquarters in Grand Rapids.
